Applications per Track

Applications per Country

What happens next?

- 5 projects from the Artists for Media track** join the Artist residency programme in the BUILD phase
- 19 projects from the Startup meets Artist & Startup for Citizens track** participate in the START phase of the MediaFutures support programme
- The teams reaching the required percentage of their Key Performance Indicators will access the final stage. A DemoDay will be organised to showcase the work carried out during the programme.
- Have a look at our selected projects <https://mediafutures.eu/projects/>

Over the course of the MediaFutures project we are developing a number of resources for data-savvy entrepreneurs, creatives and artists and anyone else interested in using data responsibly in the media sector.

Discover how to address challenges of disinformation with the **TOOLKIT**
